Instructions

Please complete form, save a copy for your records. Safely package knives in a box (not padded envelope).

Suggested Packaging Instructions

1. Using a newspaper, roll knives diagonally from corner in one sheet of folded newspaper, you do not need to individually wrap each knife.
2. Place knives in a proper box that fits the knives and packaging
3. Add additional packaging so that you cannot hear or feel the knives shift in the package when closed.
4. Included this form and payment in the package. Tape securely and label.
5. Please ask your preferred mailing/shipping company to provide you with a tracking number. You may protect your knives if desired by adding shipping insurance. Eversharp is not liable for lost shipments.
